

# Ecora Pack Kraft Tape No. 501

## Japan's first kraft tape with a recycled paper component of more than 40%.

More than 40% of the base material is recycled paper, yet it maintains the same performance, appearance and quality as conventional kraft tape. This high-standard ecological tape responds to today's environmental trends, while allowing you to imagine that recycled paper is not used.

### Usage

- Government offices, public organizations or companies involved in environmental issues
- For sale at stores as ecological products
